1.16 “Exclusive Agency to Sell or Lease Listing” is an Exclusive Right to Sell Listing which, in addition, authorizes the listing Participant, exclusively, to offer cooperation and compensation on blanket unilateral basis, but also reserves to the seller the general right to sell the property on an unlimited or restrictive basis.

As used throughout these Rules, IDX “display” includes “delivery” of such MLS Listing Information.

1.21 “Licensed Assistant” means an individual that holds an active Oklahoma real estate license and is employed by or under contract with and authorized by a Participant to access the MLS Compilation, but does not actively endeavor to list real property. 1.23 “Listing Entry Form” means the form which Members use when requesting the MLS to enter the listing into the MLS System.

1.27 “MLS Listing Areas” means the areas served by the MLS as designated from time to time, including but not limited to the counties of Canadian, Cleveland, Grady, Kingfisher, Lincoln, Logan, McClain, Oklahoma and Potawatomie. Only listings of designated types of real property located within the MLS Listing Areas are required to be submitted to the MLS. Listings of property located outside the MLS Listing Areas will be accepted if submitted voluntarily by a Participant in accordance with these Rules.

1.28 “MLS Listing Information” means all data, photographs, images, graphics, video recordings, virtual tours, drawings, written descriptions, remarks, narratives and pricing information about real properties in the MLS Listing Areas in the State of Oklahoma, including but not limited to data relating to commercial and residential properties listed for sale, lease or rent, those that have been sold, and those with respect to which the sale has been cancelled or has not Closed, which are provided by Participants to the MLS.

1.33 “Participant” means the principal, partner, corporate officer or branch manager (acting on behalf of the principal, partner or corporate officer) of a brokerage firm licensed in the State of Oklahoma, who is the member of the MLSOK, and who offers and accepts compensation to and from other Participants.

Mere possession of a broker's license is not sufficient to qualify for MLS participation. Rather, the requirement that an individual or firm offers or accepts cooperation and compensation means that the Participant actively endeavors, during the operation of its real estate business to list real property of the type listed in the MLS Compilation, to accept offers of cooperation and compensation made by listing brokers or agents in the MLS. “Actively” means on a continual and ongoing basis during the operation of the Participant’s real estate business. The “actively” requirement is not intended to preclude MLS participation by a Participant or potential Participant that operates a real estate business on a part-time, seasonal, or similarly time-limited basis or that has its business interrupted by periods of relative inactivity occasioned by market conditions. Similarly, the requirement is not intended to deny MLS participation to a Participant or potential Participant who has not achieved a minimum number of transactions despite good faith efforts. Nor is it intended to permit MLS to deny participation based on the

level of service provided by the Participant or potential Participant as long as the level of service satisfies state law.

The key is that the Participant or potential Participant actively endeavors to make or accept offers of cooperation and compensation with respect to properties of the type that are listed on the MLS in which participation is sought. This requirement does not permit MLS to deny participation to a Participant or potential Participant that operates a “Virtual Office Website” (VOW) (including a VOW that the Participant uses to refer customers to other Participants) if the Participant or potential Participant actively endeavors to make or accept offers of cooperation and compensation. MLS may evaluate whether a Participant or potential Participant actively endeavors during the operation of its real estate business to offer or accept cooperation and compensation only if MLS has a reasonable basis to believe that the Participant or potential Participant is in fact not doing so. The participation requirement shall be applied in a nondiscriminatory manner to all Participants and potential Participants.

1.34 “Pending” means that a parcel of property is under contract for sale and is awaiting fulfillment of all of the conditions of sale.

1.35 “Real Property Manager” means a company or individual that holds an active broker’s license by the State of Oklahoma and engages in the management of real estate rentals and leases and does not engage in the sale of real estate.

1.42 “Subscriber(s)” means a member of the MLS who is a real estate sales associate as that term is defined in Title 59, Section 858-102 of the Oklahoma Statutes or any recodification thereof and who is associated with a Participant.

1.43 “Temporarily Off Market” means a listing that has been temporarily removed from active status for a period of up to thirty (30) calendar days to allow for renovations, holiday periods or brief convalescence and documentation of such event, signed by the seller, shall be provided to MLS within two (2) Business Days of signature by seller.

1.44 “User” means someone who is not a MLS Subscriber or Participant but has authorized access to the MLS System.

1.45 “Virtual Assistant” means an individual or company that is an employee or independent contractor to a Participant who assists with managing the MLS Listing Information and other matters for the Participant and may or may not have access to the MLS Compilation as requested by the Participant and approved by MLS.

1.46 “Virtual Office Website” or “VOW” means a Participant’s Internet based real estate brokerage and its Internet website or a feature of a Participant’s Internet website, and, when authorized, websites of non-principal brokers and agents affiliated with Participant, which complies with the MLS VOW Policy and Rules and, through Participant, is capable of providing real estate brokerage services to consumers with whom the Participant has first established a broker-consumer relationship (as defined by Oklahoma law) where the consumer has the opportunity to search the MLS Compilation subject to the Participant’s oversight, supervision and accountability.

1.47 “Withdrawn” means that the parcel of property entered in the MLS Compilation is no longer available to show but a valid Listing Agreement is still in place.

1.48 “Writing” means email, fax or other written means of communication.

The applicant’s participation shall be denied or suspended until such time as said financial obligations have been paid or waived and the named applicant released from said obligations. Applicants shall be required to certify that the Applicant has no outstanding financial obligations to any Association or MLS in the State of Oklahoma prior to becoming a Participant or Subscriber.

The Participant must provide written detail of the specific data to be entered by the MLS on the Listing Entry Form.

3.4.2 Incomplete or incorrect MLS Listing Information entered by a Participant in the MLS System may result in the rejection or deletion of the MLS Listing Information by the MLS. The MLS shall promptly notify the listing Participant in writing of any proposed rejection or deletion. Within two (2) Business Days after receiving notice of any proposed rejection or deletion, a Participant shall enter the proper information in the MLS System. If the proper information is not entered within two (2) Business Days, the MLS may delete the MLS Listing Information from the MLS System or correct the information in its discretion. If the MLS deletes the MLS Listing Information or makes the correction based on the Participant's failure to do so in the time required, the MLS will charge the Participant's account Twenty-Five Dollars (\$25.00) per correction and/or deletion. The MLS may notify the Participant by electronic transfer of any Incomplete or incorrect entry.

3.5 Remarks on MLS Listing Information

- e) participate on the seller's(s') behalf in negotiations leading to the sale of the listed property

3.10 Exempted Listings

If the seller refuses to permit the MLS Listing Information to be disseminated by the MLS, the Participant may then take the listing (office exclusive) and such MLS Listing Information shall be filed with the MLS but not disseminated to the Participants. Within two (2)

Business Days of submitting the MLS Listing Information to the MLS, the Participant shall provide to MLS a written statement signed by the seller indicating that s/he does not desire the MLS Listing Information to be disseminated by the MLS.

3.11 Change of Status of Listing

Any change in listing price or other change in the original Listing Agreement shall be made only when authorized in writing by the seller and shall be filed with the MLS within two (2) Business Days of such change. Expired MLS Listing Information cannot be changed. Refer to the Compliance Guidelines for a full list of MLS status definitions.

3.12 Withdrawal of Listing Prior to Expiration

3.12.1 MLS Listing Information may be withdrawn from the MLS by the listing Participant before the expiration date of the Listing Agreement, provided notice in writing is filed with the MLS, including a copy of the agreement between the seller and the listing Participant which authorizes the withdrawal. If the listing Participant obtains a new Listing Agreement or an extension on a Withdrawn or Released listing within thirty (30) days of the Commence Date of such withdrawal or release, such MLS Listing Information shall be reactivated by the listing Participant as an active listing in the MLS Compilation.

3.12.2 Sellers do not have the unilateral right to require an MLS to withdraw MLS Listing Information without the listing Participant's concurrence. However, when a seller(s) can document that his exclusive relationship with the listing Participant has been terminated, the MLS may remove the listing at the request of the seller.

3.13 Active Contingent Applicable to Listings

3.18 Participant as Purchaser

If a Participant or any Subscriber affiliated with a Participant or an Appraiser wishes to acquire an interest in property listed with another Participant, such contemplated interest shall be disclosed, in writing, to the listing Participant not later than the time an offer to purchase is submitted to the listing Participant.

3.19 Expiration of Listings

MLS Listing Information entered into the MLS shall bear a definite expiration date. MLS Listing Information filed with the MLS will automatically move to Expired status in the MLS Compilation on the expiration date specified in the Listing Agreement, unless prior to that date the listing Participant or Subscriber edits the MLS Compilation that the listing has been extended or renewed. If notice of renewal or extension is received after the MLS Listing Information has been removed from the MLS Compilation, the extension or renewal will be published in the same manner as a new listing. Extensions and renewals of listings must be signed by the seller(s) and filed with the MLS.

3.20 Termination Date on Listings

MLS Listing Information entered into the MLS Compilation with an expiration date may be changed to reflect a Release or Withdrawn termination date, as negotiated between the listing Participant and the seller.

When a Participant is suspended from the MLS for failing to abide by a membership duty of a REALTOR® Association or the Rules, all MLS Listing Information currently filed with the

MLS by the suspended Participant shall, at the Participant's option, be retained in the MLS Compilation until Closed, Withdrawn or Expired, and shall not be renewed or extended by the MLS beyond the termination date of the Listing Agreement in effect when the suspension became effective. If a Participant has been suspended from the Association, except where MLS participation without association membership is permitted by law, or MLS, or both, for failure to pay appropriate dues, fees, or charges, the MLS is not obligated to provide MLS services, including continued inclusion of the suspended Participant's MLS Listing Information in the MLS Compilation. Prior to any removal of a suspended Participant's MLS Listing Information from the MLS, the suspended Participant will be advised in Writing with thirty (30) days' notice of the intended removal so that the suspended Participant may advise its clients.

If a Participant has been expelled from the Association, except where MLS participation without association membership is permitted by law, or MLS, or both, for failure to pay appropriate dues, fees, or charges, the MLS is not obligated to provide MLS services, including continued inclusion of the expelled Participant's MLS Listing Information in the MLS Compilation. Prior to any removal of an expelled Participant's MLS Listing Information from the MLS, the expelled Participant will be advised in Writing with thirty (30) days' notice of the intended removal so that the expelled Participant may advise its clients.

The listing Participant must make arrangements to present the offer as soon as possible or give the cooperating broker a satisfactory reason for not doing so.

4.3 Submission of Written Offers

4.3.1 The listing Participant shall submit to the seller all written offers until closing unless seller specifically waives this right in writing or unless precluded by law, government rule, or regulation. Unless the subsequent offer is contingent upon the termination of an existing contract, the listing Participant shall recommend that the seller obtain the advice of legal counsel prior to acceptance of the subsequent offer.

4.3.2 Participants representing buyers or tenants shall submit to the buyer or tenant all offers and counter-offers until acceptance unless buyer or tenant specifically waives this right in writing and shall recommend that buyers and tenants obtain legal advice where there is a question about whether a pre-existing contract has been terminated.

4.4 Right of Cooperating Participant in Presentation of Offer

The cooperating Participant or its representative has the right to participate in the presentation to the seller or lessor of any offer it secures to purchase or lease. The cooperating Participant does not have the right to be present at any discussion or evaluation of that offer by the seller or lessor and the listing Participant. However, if the seller or lessor gives written instructions to the listing Participant that the cooperating Participant not be present when an offer the cooperating Participant secured is presented, the cooperating Participant has the right to a copy of the seller's or lessor's written instructions. None of the foregoing diminishes the listing Participant's right to control the establishment of appointments for such presentations.

Where the cooperating Participant is not present during the presentation of the offer, the cooperating Participant can request in writing, and the listing Participant must provide, written affirmation stating that the offer has been submitted to the seller, or written notification that the seller has waived the obligation to have the offer presented.

4.5 Right of Listing Participant in Presentation of Counter-offer

The listing Participant or its representative has the right to participate in the presentation of any counter-offer made by the seller or lessor. The listing Participant does not have the right to be present at any discussion or evaluation of a counter-offer by the purchaser or lessee. However, if the purchaser or lessee gives written instructions to the cooperating broker that the listing Participant not be present when a counter-offer is presented, the listing Participant has the right to a copy of the purchaser's or lessee's written instructions.

4.6 Reporting Sales to the MLS

Status changes, including Pending and final Closing of sales, shall be reported to the MLS by the listing Participant within forty-eight (48) hours after the change has occurred. If negotiations were carried on under Section 4.1 (a) or (b) hereof, the cooperating broker shall report the accepted offers to the listing Participant within forty-eight (48) hours after occurrence and the listing Participant shall report them to the MLS within forty-eight (48) hours after receiving notice from the cooperating broker by entering the required information on the sold information screen of the MLS System. All other sold MLS Listing Information without an executed Listing Agreement (for example, for sale by owner or new home construction) should be entered in the MLS System as COMP01 under List Broker/ID.

4.7 Reporting Resolution of Contingencies

The listing Participant shall report to the MLS within two (2) Business Days that a Contingency on file with the MLS has been fulfilled or renewed, or the agreement cancelled. However, if the Contingency is re-established and/or if said Contingency has been extended, listing Participant must modify the status of a Pending listing back to the Contingent status.

4.8 Reporting Under Contract

All purchase contracts signed by both the buyer and seller shall be entered in the MLS System by the listing Participant as "Pending" within two (2) Business Days after acceptance except as provided in Section 4.6.

4.9 Reporting Cancellation of Pending Sale

The listing Participant shall report immediately to the MLS the cancellation of any Pending sale, and the MLS Listing Information shall be reinstated immediately.

4.10 Disclosing the Existence of Offers

Listing Participants, in response to inquiries from buyers or cooperating brokers shall, with the sellers' approval, disclose the existence of offers on the property. Where disclosure is authorized, listing Participants shall also disclose, if asked, whether offers were obtained by the listing Participant, by another Participant in the listing firm, or by a cooperating broker.

4.11 Availability of Properties

Participants shall not enter Coming Soon MLS Listing Information into the MLS and shall not misrepresent the availability of access to show or inspect properties.

SECTION 5: SECURE PASSWORD AND ANALYTICS

All Participants and Subscribers shall access the MLS Compilation by use of an assigned single user MLS Secure Login ID and Password. Accordingly, no one shall share or otherwise provide knowledge of one's password to any other person or entity, including without limitation any Assistants or Subscribers or non-members assistants or agents operating out of the same office, for any reason whatsoever. The sharing or transferring of passwords and/or Secure Login IDs is strictly prohibited. A Participant shall be responsible for any misuse of its, or its Subscribers' or Assistants', password and/or Secure Login ID. The MLS monitors the login process by both device characteristics and key stroke patterns for security and automated remediation processes.

SECTION 6: PROHIBITIONS

6.1 MLS Compilation for Participants Only

The MLS Compilation as disseminated by the MLS is for the exclusive use of Participants and Subscribers. Any MLS Listing Information filed with the MLS shall not be made available to any broker or firm not a member of the MLS without the prior consent of the listing Participant.

6.2 Advertising of Listings Entered into the MLS

MLS Listing Information shall not be advertised by any Participant other than the listing Participant without the prior consent of the listing Participant. Documentation of such written consent will be provided to the MLS within two (2) Business Days of request by the MLS. Only the listing Participant or cooperating Participant may claim to have sold a sold listing.

6.3 For Sale Signs

Only a "for sale" sign of the listing Participant may be placed on a property.

6.4 Sold Signs

Prior to closing, only the "sold" sign of the listing Participant may be placed on a property, unless the listing Participant authorizes the cooperating (selling) broker to post such a sign.

6.5 Solicitation of Listing Filed with the Service

Participants shall not solicit a listing on property filed with the MLS unless such solicitation is consistent with Article 16 of the REALTORS®' Code of Ethics, its Standards of Practice, and its Case Interpretations.

SECTION 7: COMPENSATION

7.1 Compensation Specified on Each Listing

7.1.1 The listing Participant shall specify on each listing filed with the MLS the compensation offered to other Participants for their services in the sale of such listing. Such offers are unconditional except that entitlement to compensation is determined by the cooperating broker's performance as the procuring cause of the sale (or lease) or as otherwise provided for in this Rule. The listing Participant's obligation to compensate any cooperating broker as the procuring cause of the sale (or lease) may be excused if it is determined through arbitration that, through no fault of the listing Participant and in the exercise of good faith and reasonable care, it was impossible or financially unfeasible for the listing Participant to collect a commission pursuant to the Listing Agreement. In such instances, entitlement to cooperative compensation offered through MLS would be a question to be determined by an arbitration hearing panel based on all relevant facts and circumstances including, but not limited to, why it was impossible or financially unfeasible for the listing Participant to collect some or all of the commission established in the Listing Agreement; at what point in the transaction did the listing Participant know (or should have known) that some or all of the commission established in the Listing Agreement might not be paid; and how promptly had the listing Participant communicated to cooperating Participants that the commission established in the Listing Agreement might not be paid.

7.1.2 In entering a property into the MLS Compilation, the Participant is making blanket unilateral offers of compensation to the other Participants and shall therefore specify in each MLS Listing Information entered the compensation being offered to the other Participants.

7.1.3 The compensation specified on MLS Listing Information entered in the MLS shall appear in one of two forms.

- 1) By showing a percentage of the gross selling price, or
- 2) By showing a definite dollar amount

The listing Participant retains the right to determine the amount of compensation offered to other Participants (acting in nonagency capacities defined by law) which may be the same or different.

This shall not preclude the listing Participant from offering any other Participant compensation other than the compensation indicated on any MLS Listing Information published by the MLS, provided the listing Participant informs the other broker, in writing, in advance of submitting an offer to purchase, and provided that the modification in the specified compensation is not the result of any agreement among all or any other Participants. Any superseding offer of compensation must be expressed as either a percentage of the gross sales price or as a flat dollar amount.

Nothing in these MLS rules precludes a listing Participant and a cooperating Participant, as a matter of mutual agreement, from modifying the cooperative compensation to be paid in the event of a successful transaction.

7.1.4 The listing Participant shall not be required to disclose the amount of total negotiated commission in its Listing Agreement, and the MLS shall not publish the total negotiated commission on a listing which has been submitted to the MLS by a Participant. The

MLS shall not disclose in any way the total commission negotiated between the seller and the listing Participant.

7.2 Short Sales

Participants may, but are not required to, disclose potential short sales to other Participants and Subscribers. When disclosed, Participants may, at their discretion, advise other Participants whether and how any reduction in the gross commission established in the Listing Agreement, required by the lender as a condition of approving the sale, will be apportioned between listing and cooperating Participants.

7.3 Dual or Variable Rate Commission Arrangements

The existence of a dual or variable rate commission arrangement (i.e., one in which the seller/landlord agrees to pay a specified commission if the property is sold/leased by the listing Participant without assistance and a different commission if the sale/lease results through the efforts of a cooperating Participant; or one in which the seller/landlord agrees to pay a specified commission if the property is sold/leased by the listing Participant either with or without the assistance of a cooperating Participant and a different commission if the sale/lease results through the efforts of a seller/landlord) shall be disclosed by the listing Participant by a yes or no answer as required by the MLS. The listing Participant shall, in response to inquiries from potential cooperating Participants, disclose the differential that would result in either a cooperative transaction or, alternatively, in a sale/lease that results through the efforts of the seller/landlord. If the cooperating Participant is a buyer/tenant representative, the buyer/tenant representative must disclose such information to their client before the client makes an offer to purchase or lease.

SECTION 8: SERVICE FEES AND LATE FEES

The specific amounts of fees and charges referenced in these Rules and the Compliance Guidelines, and the requirement for payment, are set from time to time by the Board of Directors and are published in the MLS "Schedule of Fees" available from MLS. Service fees as well as fines for Rules violations are subject to late fees. Additional fees and/or fines may be imposed against the Participant for violation of these Rules as set forth in the Compliance Guidelines. A graduated fee schedule may be imposed where the Participant and/or Subscriber fails to correct a violation and/or fails to pay the associated fine. Repeated violations by Participant and/or Subscriber may be submitted to the MLSOK Board for review and discipline where appropriate. See the Schedule of Fees and Compliance Guidelines for details.

Each Participant shall be responsible for payment of all fees and fines for their offices, Subscribers and Assistants. Payment of such fees and fines may be accepted from the Participant or the Subscriber. None of the foregoing shall preclude the Participant from being reimbursed by the Subscribers affiliated with Participant for fees or charges incurred on their behalf pursuant to any in-house agreement that may exist. All fees paid for services including advance payments are non-refundable unless otherwise stated.

Recurring MLS fees, dues, and charges may be based upon the total number of real estate brokers, sales licensees, and licensed or certified real estate appraisers affiliated with or employed by a Participant.

However, MLSOK must provide Participants the option of a no-cost waiver of MLS fees, dues, and charges for any licensee or licensed or certified appraiser who can demonstrate subscription to a different MLS where its Participant participates. MLSOK may, at its discretion, require that Participants sign a certification for nonuse of MLS services by their licensees, which can include penalties and termination of the waiver if violated.

SECTION 9: COMPLIANCE, ENFORCEMENT, PENALTY

9.1 Compliance with Rules-Authority to Impose Discipline

By becoming and remaining a Participant, Subscriber, Appraiser, Assistant or Affiliate in this MLS, each Participant, Subscriber, Appraiser, Assistant or Affiliate agrees to be subject to these Rules, the Compliance Guidelines and any other MLS governance provision. The MLS may, through the administrative and hearing procedures established in these Rules and the Compliance Guidelines, impose discipline for violations of the Rules and other MLS governance provisions. Discipline that may be imposed may only consist of one or more of the following:

- a) courtesy notice
- b) notification of violation
- c) appropriate, reasonable fine not to exceed \$15,000.00
- d) probation for a stated period of time not less than one month nor more than one (1) year
- e) attendance at MLS orientation or other appropriate courses or seminars which the Participant or Subscriber can reasonably attend taking into consideration cost, location, and duration
- f) suspension of MLS rights, privileges, and services for not less than thirty (30) calendar days nor more than one (1) year
- g) termination of MLS rights, privileges, and services with no right to reapply for a specified period not to exceed three (3) years.

9.2 Compliance with Rules

The following action may be taken for noncompliance with these Rules:

- a) for failure to pay any service fees and/or fines within one (1) month of the date due, the non-compliant Member's service shall be suspended until service charges or fines are paid in full.
- b) for failure to comply with any other rule, the provisions of Sections 10.1 shall apply.

9.3 Applicability of Rules to Subscribers

Non-principal brokers, Subscribers, Appraisers, and others authorized to have access to the MLS Compilation are subject to these Rules and may be disciplined for violations thereof provided that the Participant or Subscriber has signed an agreement acknowledging that access to and use of the MLS Compilation is contingent on compliance with these Rules. Further, failure

of any Participant or Subscriber to abide by the Rules and/or any sanction imposed for violations thereof can subject the Participant to the same or other discipline. This provision does not eliminate the Participant's ultimate responsibility and accountability for all Subscribers affiliated with the Participant.

9.4 Considerations of Alleged Violations

9.4.1 Alleged offenses in violation of these Rules may be administratively considered and determined by the MLS staff. By becoming and remaining a Participant, each Participant agrees to be subject to these Rules, the enforcement of which are at the sole discretion of the MLS staff.

9.4.2 If the MLS staff determines a violation has occurred, it may direct the imposition of a sanction in accordance with the Compliance Guidelines established by the Board of Directors. If the Participant and/or Subscriber disagrees with MLS staff, then the Participant may request a hearing before the MLS Hearing Panel in accordance with the procedures detailed in the Compliance Guidelines. Such request must be completed within twenty (20) Business Days following receipt of the MLS staff decision.

9.4.3 After the hearing has occurred, the MLS Hearing Panel shall issue a written decision. If the Participant and/or the Subscriber disagrees with the decision of the MLS Hearing Panel, the Participant may appeal such decision to the Board of Directors. The request for a hearing before the Board of Directors must be completed within ten (10) Business Days of receipt of the MLS Hearing Panel's decision.

9.5 Complaints of Unethical Conduct

All complaints of unethical conduct shall be referred to the primary Association of the Participant or Subscriber for appropriate action in accordance with the professional standards procedures established in that Association's Bylaws.

9.6 Complaints of Unauthorized Use of Listing Content

9.6.1 Any Participant who believes another Participant has engaged in the unauthorized use or display of MLS Listing Information, including but not limited to photographs, images, audio or video recordings, and virtual tours, shall send written notice of such alleged unauthorized use to the MLS. Such notice shall specifically identify the allegedly unauthorized MLS Listing Information and shall be delivered to the MLS not more than sixty (60) days after the alleged misuse was first identified. No Participant may pursue action over the alleged unauthorized use and display of MLS Listing Information in a court of law without first completing the notice and response procedures outlined in this Section 9.6.

9.6.2 Upon receiving a notice alleging the unauthorized use or display of MLS Listing Information, MLS staff will send the notice to the Participant who is accused of unauthorized use. Within ten (10) days of receiving notice from the MLS, the Participant must either: 1) remove the allegedly unauthorized MLS Listing Information, or 2) provide proof to the MLS that the use is authorized. Any proof submitted will be considered by MLS staff, and a

decision of whether the Participant had authority to use the MLS Listing Information will be made by the MLS within thirty (30) days.

9.6.3 If the MLS determines that the use of the MLS Listing Information was unauthorized, the MLS may issue a sanction pursuant to Section 8 of these Rules, including a request to remove and/or cease use of the unauthorized MLS Listing Information within ten (10) days after issuing the decision. If the unauthorized use stems from a violation of these Rules, such violation will be considered in determining the appropriate sanction.

9.6.4 If the alleged violation remains uncured ten (10) days after the MLS's decision, the complaining Participant may seek action through a court of law.

9.7 Rules Violation

Participants may not take legal action against another Participant for alleged violations of these Rules unless the complaining Participant has first exhausted the remedies provided in this Section 9.

9.8 Compliance Audit

All MLS Listing Information entered into the MLS System is subject to audit and remediation by Automated Violation System as well as the processing of Online Reporting Form in accordance with these Rules and the Compliance Guidelines, as amended from time to time.

SECTION 10: MEETING

The meetings of the Participants of the MLS or the Board of Directors for the transaction of business of the MLS shall be held in accordance with the provisions of the MLS Bylaws.

SECTION 11: CONFIDENTIALITY OF MLS INFORMATION

Any information provided by the MLS to the Participants, including without limitation the MLS Compilation, any statistical information, Statistical Reports and any User ID or passwords, shall be considered official information of the MLS. Such information shall be considered confidential and exclusively for the use of Participants and Subscribers and those Participants who are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property and licensed or certified appraisers affiliated with such Participants.

SECTION 12: PROPRIETARY MLS INFORMATION

All information provided by MLS to Participants and Subscribers shall be considered proprietary information of the MLS. Such information shall be considered confidential and shall be exclusively for the use of Participants and Subscribers.

12.1 MLS Not Responsible for Accuracy of Information

The MLS Compilation disseminated by the MLS is not verified nor authenticated. The information published and disseminated by the MLS is communicated verbatim, without change by the MLS, as entered by the Participant. It is the responsibility of Participants to verify the accuracy of all input information, including information input by the MLS at the request of Participants and Subscribers and/or edited by the MLS as necessary to comply with these Rules. The MLS does not verify such information provided and disclaims any responsibility for its accuracy. Each Participant agrees to hold the MLS harmless against any liability arising from any inaccuracy or inadequacy of the MLS Compilation such Participant provides.

12.2 Access to Comparable and Statistical Information

Members of the Association who are actively engaged in real estate brokerage, management, mortgage financing, appraising, land development or building activities, but who do not participate in the MLS within the meaning of these Rules, are not entitled to receive the MLS Compilation, in whole or in part, but are entitled to receive Statistical Reports. The comparable or statistical information made available to such Association members is subject to these Rules and may not be transmitted, retransmitted or provided or made available in any manner to any other individual or entity.

SECTION 13: OWNERSHIP OF MLS COMPILATION, COPYRIGHTS AND TRADEMARKS

13.1 Granting the MLS License to MLS Listing Information

By the act of submitting any MLS Listing Information to the MLS, the Participant represents and warrants that it is fully authorized to grant a license to the MLS Listing Information as contemplated by and in compliance with this Section and these Rules, and thereby does grant the MLS a non-exclusive perpetual irrevocable license to include the MLS Listing Information in its copyrighted MLS Compilation and also in any Statistical Report on comparables. MLS Listing Information includes, but is not limited to, photographs, images, graphics, audio and video recordings, virtual tours, drawings, descriptions, remarks, narratives, pricing information, and other details or information related to listed property.

Each Participant who submits MLS Listing Information to the MLS agrees to defend and hold the MLS and every other Participant harmless from and against any liability or claim arising from any inaccuracy of the submitted MLS Listing Information or any inadequacy of ownership, license or title to the MLS Listing Information submitted by that Participant.

Note: The Digital Millennium Copyright Act (DMCA) is a federal copyright law that enhances the penalties for copyright infringement occurring on the Internet. The law provides exemptions or “safe harbors” from copyright infringement liability for online service providers (OSP) that satisfy certain criteria. Courts construe the definition of “online service provider” broadly, which would likely include MLSs as well as Participants and Subscribers hosting an IDX Display.

One safe harbor limits the liability of an OSP that hosts a system, network or website on which Internet users may post user-generated content. If an OSP complies with the provisions of this DMCA safe harbor, it cannot be liable for copyright infringement if a user posts infringing material on its website. This protects an OSP from incurring significant sums in copyright infringement damages, as statutory damages are as high as \$150,000 per work. For this reason, it is highly recommended that MLSs, Participants and Subscribers comply with the DMCA safe harbor provisions discussed herein.

To qualify for this safe harbor, the OSP must:

1. Designate on its website and register with the Copyright Office an agent to receive takedown requests. The agent could be the MLS, Participant, Subscriber, or other individual or entity.
2. Develop and post a DMCA-compliant website policy that addresses repeat offenders.
3. Comply with the DMCA takedown procedure. If a copyright owner submits a takedown notice to the OSP which alleges infringement of its copyright at a certain location, then the OSP must promptly remove allegedly infringing material. The alleged infringer may submit a counter-notice that the OSP must share with the copyright owner. If the copyright owner fails to initiate a copyright lawsuit within ten (10) days, then the OSP may restore the removed material.
4. Have no actual knowledge of any complained-of infringing activity.
5. Not be aware of facts or circumstances from which complained-of infringing activity is apparent.
6. Not receive a financial benefit attributable to complained-of infringing activity when the OSP is capable of controlling such activity.

Full compliance with these DMCA safe harbor criteria will mitigate an OSP's copyright infringement liability. For more information, see 17 U.S.C. § 512.

13.2 MLSOK's Exclusive Rights to the MLS Compilation

All right, title, and interest in each copy of every MLS Compilation created and copyrighted by the MLSOK, Inc. and in the copyrights therein, shall at all times remain vested in the MLSOK, Inc.

13.3 Participants May Lease the MLS Compilation

Each Participant shall be entitled to lease from the MLS a number of copies of each MLS Compilation sufficient to provide the Participant and its Subscribers with one copy of the MLS Compilation. The Participant shall pay for each copy of the MLS Compilation, the rental fee for which shall be set by the Association.

This section should not be construed to require the Participant to lease a copy of the MLS Compilation for any Subscriber (or licensed or certified appraiser) affiliated with the Participant who is engaged exclusively in a specialty of the real estate business other than listing, selling, or

appraising the types of properties which are required to be filed with the MLS and who does not, at any time, have access to or use of the MLS Compilation or MLS System.

13.4 Use of the Copyrights or Trademarks Not Permitted

Participants shall not use the copyrights or trademarks and shall not use the MLS logo, MLSOK, OKCMAR, Oklahoma City Metropolitan Association of REALTORS®, or any derivatives thereof in Participants' names, domain names, web addresses or uniform resource locators (URLs) unless approved by the MLS in writing.

13.5 Use of Terms Not Permitted

Participants shall not use the term “Multiple Listing Service”, the acronym “MLS” or derivatives thereof in the company name. In addition, Participants shall not use the terms “Multiple Listing Service”, the acronym “MLS”, or derivatives thereof in domain names, web addresses or URLs or in public display and all existing uses of such terms must cease. No Participant shall indicate or imply in any manner that the Participant is a multiple listing service or that the public has access to or may search the multiple listing service (e.g. Search the MLS or access the MLS) on the Participant's website, in the MLS Compilation, or otherwise.

SECTION 14: USE OF COPYRIGHTED MLS COMPILATION

14.1 Use

Participants shall, at all times, maintain control over and responsibility for each copy of the MLS Compilation, whether through the Internet, software, or off-line after being downloaded to a computer or server, and shall not distribute any such copies to persons other than Subscribers, and any other licensees as authorized pursuant to the governing documents of the MLS. Use of information developed by or published by the MLS is strictly limited to the activities authorized under a Participant's licensure(s) or certification, and unauthorized uses are strictly prohibited. Further, none of the foregoing is intended to convey participation or membership or any right of access to information developed or published by the MLS where access to such information is prohibited by law.

14.2 Display

Participants and Subscribers shall be permitted to display the MLS Compilation to prospective purchasers only in conjunction with their ordinary business activities of attempting to locate ready, willing, and able buyers for the properties described in said MLS Compilation. Participants shall not, under any circumstances, allow prospective purchasers of real property to have direct access to the MLS Compilation whether from a computer or from a website or in any other manner.

14.3 Reproduction

Participants or Subscribers shall not reproduce any MLS Compilation or any portion thereof, except in the following limited circumstances:

14.3.1 Participants or Subscribers may reproduce from the MLS Compilation and distribute to prospective purchasers a reasonable number of single copies of MLS Listing Information contained in the MLS Compilation which relate to any properties in which the prospective purchasers are or may, in the judgment of the Participants or Subscribers, be interested.

14.3.2 Reproductions made in accordance with this Rule shall be prepared in such a fashion that the MLS Listing Information only include properties in which the prospective purchaser has expressed interest, or in which the Participant or the Subscriber is seeking to promote interest. Nothing contained herein shall be construed to preclude any Participant from utilizing, displaying, distributing, or reproducing property listing sheets or other compilations of data pertaining exclusively to properties currently listed for sale with the Participant.

14.3.3 Any MLS Compilation, or portion thereof, whether provided in written or printed form, provided electronically, or provided in any other form or format, is provided for the exclusive use of the Participant and Subscriber who are authorized to have access to such information. Such information may not be transmitted, retransmitted, or provided in any manner to any unauthorized individual, office, or firm.

14.3.4 None of the foregoing shall be construed to prevent any individual legitimately in possession of current MLS Listing Information, sold information, comparables, or statistical information from utilizing such information to support valuations on particular properties for clients and customers. Any non-confidential MLS Listing Information in data feeds available to Participants for real estate brokerage purposes must also be available to Participants for valuation purposes, including automated valuations. MLSs must either permit use of existing data feeds, or create a separate data feed, to satisfy this requirement. MLSs require execution of a third-party license agreement where deemed appropriate by the MLS. Participants who elect to use such data feeds must pay the reasonably estimated costs incurred by the MLS in adding or enhancing its downloading capacity for this purpose. Information deemed confidential may not be used as supporting documentation. Any other use of such information is unauthorized and prohibited by these Rules.

14.4 Limitations on Use of MLS Compilation

Use of any portion of the MLS Compilation, the Statistical Reports, or any sold or comparable report of the Association or MLS for public mass-media advertising by a Participant or in other public representations, is not prohibited.

However, any print or non-print forms of advertising or other forms of public representations based in whole or in part on information supplied by the Association or the MLS must clearly demonstrate the period of time over which such claims are based and must include the following, or substantially similar, notice:

“Based on information from the MLSOK for the period (date) through (date). This information is not verified for authenticity or accuracy, is not guaranteed and may not reflect all real estate activity in the market. 2018 [or current year] MLSOK, Inc. All rights reserved.”

14.5 Authorization

Participants' consent for display of their MLS Listing Information by other Participants pursuant to these Rules is presumed unless a Participant affirmatively notifies the MLS that the Participant refuses to permit display (either on a blanket or on a listing-by-listing basis). If a Participant refuses on a blanket basis to permit the display of that Participant's MLS Listing Information, that Participant may not download, frame or display the MLS Listing Information of other Participants. Even where Participants have given blanket authority for other Participants to display their MLS Listing Information on IDX Displays, such consent may be withdrawn on a listing-by-listing basis where the seller has prohibited all Internet display or other electronic forms of display or distribution.

14.6 Participation

Participation in IDX is available to all MLS Participants who are REALTORS® and who consent to display of their MLS Listing Information by other Participants.

14.6.1 Participant may request a list of available IDX fields from the MLS; however, the MLS shall at all times retain the right to make the final determination as to what is made available for IDX. IDX Displays are at all times subject to these Rules, as may be amended from time to time.

14.6.2 Service fees and charges for participation in IDX shall be as established annually by the Board of Directors.

14.7 Internet Data Exchange (IDX)

14.7.1 Participants must notify the MLS of their intention to display IDX information and must give the MLS direct access for purposes of monitoring/ensuring compliance with applicable rules and policies. This includes, but is not limited to, providing the website URLs to the MLS and the MLS must be notified of the establishment of any new IDX Displays or change of IDX Display URL.

14.7.2 MLS Participants may not use IDX-provided MLS Listing Information for any purpose other than through IDX Display as provided for in these Rules. This does not require Participants to prevent indexing of IDX listings by recognized search engines.

14.7.3 MLS Listing Information, including property addresses, can be included in IDX Displays except where a seller has directed their listing Participant to withhold their MLS Listing Information or the listing's property address from all display on the Internet (including, but not limited to, publicly-accessible Web sites or VOWs) or other electronic forms of display or distribution.

14.7.4 Participants may select the MLS Listing Information to display through IDX Displays based only on objective criteria including, but not limited to, factors such as geography or location ("uptown," "downtown," etc.), list price, type of property (e.g., condominiums, cooperatives, single-family detached, multi-family), cooperative compensation offered by listing Participants, type of listing (e.g., Exclusive Right to Sell Listing, Exclusive Agency Listing), or the level of service being provided by the listing Participant. Selection of MLS Listing

Information displayed through authorized IDX Displays must be independently made by each Participant.

14.7.5 All displays of the MLS Compilation shall include the following disclaimer and copyright notice:

Copyright 2018 [or current year] MLSOK, Inc. We do not attempt to verify the currency, completeness, accuracy or authenticity of the data contained herein. Information is subject to verification by all parties and is subject to transcription and transmission errors. All information is provided “as is”. The listing information provided is for consumers’ personal, non-commercial use and may not be used for any purpose other than to identify prospective purchasers. This data is copyrighted and may not be transmitted, retransmitted, copied, framed, repurposed, or altered in any way for any other site, individual and/or purpose without the express written permission of MLSOK, Inc. Information last updated on <date>.

14.7.6 Participants must refresh all MLS downloads and IDX Displays automatically fed by those downloads at least once every twelve (12) hours.

14.7.7 Except as provided in the IDX policy and these Rules, an IDX Display or a Participant or Subscriber operating an IDX site or displaying IDX information as otherwise permitted may not distribute, provide, or make any portion of the MLS Compilation available to any person or entity.

14.7.8 Any IDX Display controlled by a Participant must clearly identify the name of the brokerage firm under which the Participant operates in a readily visible color and typeface. For purposes of the IDX policy and these rules, “control” means the ability to add, delete, modify and update information as required by the IDX policy and MLS Rules.

Any IDX Display controlled by a Participant or Subscriber that:

- a) Allows third-parties to write comments or reviews about particular listings or displays a hyperlink to such comments or reviews in immediate conjunction with particular listings, or
- b) Displays an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the MLS Listing Information, shall disable or discontinue either or both features for the seller’s listings at the request of the seller. The listing Participant or Subscriber shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all displays controlled by Participants’. Except for the foregoing and subject to Section 15.7.9, a Participant’s IDX Display may communicate the Participant’s professional judgment concerning any listing. Nothing shall prevent an IDX Display from notifying its customers that a particular feature has been disabled at the request of the seller.

14.7.9 Participants shall maintain a means (e.g., e-mail address, telephone number) to receive comments about the accuracy of any data or information that is added by or on behalf of

the Participant beyond that supplied by the MLS and that relates to a specific property displayed on the IDX Display. The Participant's contact information shall be clearly and conspicuously displayed. Participants shall correct or remove any false data or information relating to a specific property upon receipt of a communication from the listing Participant or listing Subscriber for the property explaining why the data or information is false. However, Participants and Subscribers shall not be obligated to remove or correct any data or information that simply reflects good faith opinion, advice, or professional judgment.

14.7.10 MLS Listing Information displayed pursuant to IDX shall contain only those fields of data designated by the MLS. Display of all other fields is prohibited. Confidential fields intended only for other Participants and Subscribers (e.g., cooperative compensation offers, showing instructions, property security information, etc.) shall not be displayed.

14.7.11 The type of Listing Agreement (e.g., Exclusive Right to Sell Listing, Exclusive Agency to Sell Listing, etc.) shall not be displayed on IDX Displays.

14.7.12 Participants shall not modify or manipulate information relating to other Participants' MLS Listing Information. Participants may augment their IDX Display with applicable property information from other sources to appear on the same IDX Display, clearly separated from the MLS Listing Information. The source(s) of the property information must be clearly identified in the immediate proximity to such information. This requirement does not restrict the format of IDX MLS Listing Information display or display of fewer than all of the available MLS Listing Information or fewer authorized data fields.

14.7.13 All MLS Listing Information displayed pursuant to IDX shall identify the listing firm in a reasonably prominent location adjacent to the MLS Listing Information and above any information provided from other sources, and in a readily visible color and typeface not smaller than the median used in the display of MLS Listing Information. Displays of minimal information (e.g. "thumbnails", text messages, "tweets", etc., of two hundred (200) characters or less) are exempt from this requirement but only when linked directly to an IDX Display that includes all required disclosures. For audio delivery of MLS Listing Information, all required disclosures must be subsequently delivered electronically to the registered consumer performing the property search or linked to through the audio device's application

14.7.14 All MLS Listing Information displayed pursuant to IDX shall identify the listing Subscriber or Participant.

14.7.15 All results displayed via a search of the MLS Listing Information must display the MLSOK IDX logo or the listing firm.

14.7.16 Non-principal brokers and Subscribers affiliated with Participants may display information available through IDX on their own IDX Displays subject to their Participant's consent and control and the requirements of state law and/or regulation.

14.7.17 All MLS Listing Information displayed pursuant to IDX shall show the

MLS as the source of the information. Displays of minimal information (e.g. “thumbnails”, text messages, “tweets”, etc., of two hundred (200) characters or less) are exempt from this requirement but only when linked directly to an IDX Display that includes all required disclosures.

14.7.18 Participants and their affiliated Subscribers shall indicate on their IDX Displays that IDX information is provided exclusively for consumers’ personal, non-commercial use, that it may not be used for any purpose other than to identify prospective properties consumers may be interested in purchasing, and that the data is not guaranteed accurate by the MLS. IDX Displays of minimal information (e.g. “thumbnails”, text messages, “tweets”, etc., of two hundred (200) characters or less) are exempt from this requirement but only when linked directly to an IDX Display that includes all required disclosures.

14.7.19 The number of IDX listings consumers can retrieve or download in response to an inquiry shall be limited to no more than two hundred and fifty (250) listings.

14.7.20 The right to display other Participants’ MLS Listing Information pursuant to IDX shall be limited to a Participant’s office(s) holding participatory rights in the MLS.

14.7.21 MLS Listing Information obtained through IDX feeds from REALTOR® Association MLSs where the Participant holds participatory rights must be displayed separately from listings obtained from other sources. Listings obtained from other sources must display the source from which each such listing was obtained. Displays of minimal information (e.g. “thumbnails”, text messages, “tweets”, etc., of two hundred (200) characters or less) are exempt from this requirement but only when linked directly to an IDX Display that includes all required disclosures. (Amended 11/14).

Note: A Participant or Subscriber may co-mingle the MLS Listing Information of other Members received in an IDX feed with listings available from other MLSs, provided all such displays are consistent with these IDX rules, and the Participant or Subscriber holds participatory rights in those MLSs. As used in this policy, “co-mingling” means that consumers are able to execute a single property search of multiple IDX data feeds resulting in the display of IDX information from each of the MLSs on a single search results page; and that Participants may display listings from each IDX feed on a single IDX Display.

14.7.22 Participants may display on an IDX Display all active MLS Listing Information unless the seller has affirmatively directed that the listing shall not appear on IDX Displays, sold MLS Listing Information from January 1, 2012, non-confidential Pending sale MLS Listing Information, and other MLS Listing Information authorized under these Rules.

14.7.23 Display of expired and Withdrawn MLS Listing Information is prohibited.

14.7.24 Display of seller’s and/or occupant’s name(s), phone number(s), and e-mail address(es) is prohibited.

14.7.25 Deceptive or misleading advertising (including co-branding) on pages of an IDX Display is prohibited. For purposes of these Rules, co-branding will be presumed not to be deceptive or misleading if the Participant's logo and contact information is larger than that of any third party.

14.8 Virtual Office Websites (VOW)

A non-principal broker or Subscriber affiliated with a Participant may, with his or her Participant's consent, operate a VOW. Any VOW of a non-principal broker or Subscriber is subject to the Participant's oversight, supervision, and accountability.

As used in Section 15 of these rules, the term "Participant" includes a Participant's affiliated non-principal brokers and Subscribers —except when the term is used in the phrases "Participant's consent" and "Participant's oversight, supervision, and accountability". References to "VOW" and "VOWs" include all Virtual Office Websites, whether operated by a Participant, by a non-principal broker or Subscriber, or by an "Affiliated VOW Partner" (AVP) on behalf of a Participant.

No AVP has independent participation rights in the MLS by virtue of its right to receive information on behalf of a Participant. No AVP has the right to use the MLS Compilation or MLS Listing Information, except in connection with operation of a VOW on behalf of one or more Participants. Access by an AVP to the MLS Compilation is derivative of the rights of the Participant on whose behalf the AVP operates a VOW.

14.8.1 The right of a Participant's VOW to display MLS Listing Information is limited to that supplied by the MLS(s) in which the Participant has participatory rights. However, a Participant with offices participating in different MLSs may operate a master VOW website with links to the VOWs of the other offices.

14.8.2 Subject to the provisions of the VOW Policy and these Rules, a Participant's VOW, including any VOW operated on behalf of a Participant by an AVP, may provide other features, information, or functions, e.g., "Internet Data Exchange" (IDX).

14.8.3 Except as otherwise provided in the VOW Policy or in these Rules, a Participant need not obtain separate permission from other Participants whose MLS Listing Information will be displayed on the Participant's VOW.

14.8.4 Before permitting any consumer to search for or retrieve any MLS Listing Information on the Participant's VOW, the Participant must take each of the following steps:

14.8.4.1 The Participant must first establish with that consumer a lawful broker-consumer relationship as defined by the law of Oklahoma, including completion of all actions required by Oklahoma law in connection with providing real estate brokerage services to Registrants. Such actions shall include, but are not limited to, satisfying all applicable agency, non-agency, and other disclosure obligations, and execution of any required agreements.

14.8.4.2 The Participant must obtain the name of, and a valid e-mail address for, each Registrant. The Participant must send an e-mail to the address provided by the Registrant

confirming that the Registrant has agreed to the terms of use (described in Subsection 16.8.6 below). The Participant must verify that the e-mail address provided by the Registrant is valid and that the Registrant has agreed to the terms of use.

14.8.4.3 The Participant must require each Registrant to have a user name and a secure password, the combination of which is different from those of all other Registrants on the VOW. The Participant may, at the Participant's option, supply the user name and secure password or may allow the Registrant to establish its user name and secure password. The Participant must also assure that any e-mail address is associated with only one user name and password.

14.8.4.4 The Participant must assure that each Registrant's password expires on a date certain but may provide for renewal of the password. The Participant must at all times maintain a record of the name, e-mail address, user name, and current password of each Registrant. The Participant must keep such records for not less than one hundred eighty (180) days after the expiration of the validity of the Registrant's password.

14.8.4.5 A Participant shall require that Registrants' passwords be reconfirmed or changed every ninety (90) days.

14.8.5 If the MLS has reason to believe that a Participant's VOW has caused or permitted a breach in the security of the MLS Compilation or a violation of these Rules, the Participant shall, upon request of the MLS, provide the name, e-mail address, user name, and current password of any Registrant suspected of involvement in the breach or violation. The Participant shall also, if requested by the MLS, provide an audit trail of activity by any such Registrant.

14.8.6 The Participant shall require each Registrant to review and affirmatively to express agreement, by mouse click or otherwise, to a "Terms of Use" provision that provides at least the following:

14.8.6.1 That the Registrant acknowledges entering into a lawful consumer-broker relationship with the Participant;

14.8.6.2 That all information obtained by the Registrant from the VOW is intended only for the Registrant's personal, non-commercial use;

14.8.6.3 That the Registrant has a bona fide interest in the purchase, sale, or lease of real estate of the type being offered through the VOW;

14.8.6.4 That the Registrant will not copy, redistribute, or retransmit any of the information provided, except in connection with the Registrant's consideration of the purchase or sale of an individual property;

14.8.6.5 That the Registrant acknowledges the MLS' ownership of, and the validity of, the MLS' copyright in the MLS Compilation.

14.8.7 The Terms of Use agreement may not impose a financial obligation on the Registrant or create any representation agreement between the Registrant and the Participant. Any agreement entered into at any time between the Participant and Registrant imposing a financial obligation on the Registrant or creating representation of the Registrant by the Participant must be established separately from the Terms of Use, must be prominently labeled as such, and may not be accepted solely by mouse click.

14.8.8 The Terms of Use agreement shall also expressly authorize the MLS and other Participants or their duly authorized representatives to access the VOW for the purposes of verifying compliance with these Rules and monitoring display of Participants' MLS Listing Information by the VOW. The agreement may also include such other provisions as may be agreed to between the Participant and the Registrant.

14.8.9 A Participant's VOW must prominently display an e-mail address, telephone number, or specific identification of another mode of communication (e.g., live chat) by which a consumer can contact the Participant to ask questions or get more information about any property displayed on the VOW. The Participant or a non-principal broker or Subscriber must be willing and able to respond knowledgeably to inquiries from Registrants about properties within the market area served by that Participant and displayed on the VOW.

14.8.10 A Participant's VOW must employ reasonable efforts to monitor for and prevent misappropriation, scraping, and other unauthorized uses of the MLS Compilation. A Participant's VOW shall utilize appropriate security protection such as firewalls as long as this requirement does not impose security obligations greater than those employed concurrently by the MLS.

Note: MLSs may adopt rules requiring Participants to employ specific security measures, provided that any security measure required does not impose obligations greater than those employed by the MLS.

14.8.11 A Participant's VOW shall not display the MLS Listing Information or property addresses of any seller who has affirmatively directed the listing Participant to withhold the seller's MLS Listing Information or property address from display on the Internet. The listing Participant shall communicate to the MLS that the seller has elected not to permit display of the MLS Listing Information or property address on the Internet. Notwithstanding the foregoing, a Participant who operates a VOW may provide to consumers via other delivery mechanisms, such as e-mail, fax, or otherwise, the MLS Listing Information of sellers who have determined not to have the MLS Listing Information for their property displayed on the Internet.

14.8.12 A Participant who lists a property for a seller who has elected not to have the property MLS Listing Information or the property address displayed on the Internet shall cause the seller to execute a document that includes the following (or a substantially similar) provision.

Seller Opt-out Form

1. Check one.

a. ____ I have advised my broker or sales agent that I do not want the listed property to be displayed on the Internet.

b. ____ I have advised my broker or sales agent that I do not want the address of the listed property to be displayed on the Internet.

2. I understand and acknowledge that if I have selected Option a., consumers who conduct searches for listings on the Internet will not see information about the listed property in response to their searches.

Initials of Seller

14.8.13 The Participant shall retain such forms for at least one (1) year from the date the forms are signed or one (1) year from the date the listing goes off the market, whichever is greater.

14.8.14 Subject to Subsection 14.8.16 below, a Participant's VOW may allow third-parties:

- a) to write comments or reviews about particular MLS Listing Information or display a hyperlink to such comments or reviews in immediate conjunction with particular MLS Listing Information, or
- b) to display an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing.

14.8.15 Notwithstanding the foregoing, at the request of a seller, the Participant shall disable or discontinue either or both features described in section 14.8.14 as to any MLS Listing Information of the seller. The listing Participant or Subscriber shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all Participants' websites. Subject to the foregoing and to Section 14.8.16, a Participant's VOW may communicate the Participant's professional judgment concerning any listing. A Participant's VOW may notify its customers that a particular feature has been disabled at the request of the seller.

14.8.16 A Participant's VOW shall maintain a means (e.g., e-mail address, telephone number) to receive comments from the listing Participant about the accuracy of any information that is added by or on behalf of the Participant beyond that supplied by the MLS and that relates

to a specific property displayed on the VOW. The Participant shall correct or remove any false information relating to a specific property within forty-eight (48) hours following receipt of a communication from the listing Participant explaining why the data or information is false. The Participant shall not, however, be obligated to correct or remove any data or information that simply reflects good faith opinion, advice, or professional judgment.

14.8.17 A Participant shall cause the MLS Compilation available on its VOW to be refreshed at least once every three (3) days.

14.8.18 Except as provided in these Rules, in the National Association of REALTORS®' VOW policy, or in any other applicable MLS rules or policies, no Participant shall distribute, provide, or make accessible any portion of the MLS Compilation to any person or entity for any reason.

14.8.19 A Participant's VOW must display the Participant's privacy policy informing Registrants of all of the ways in which information that the Registrant provides may be used.

14.8.20 A Participant's VOW may exclude MLS Listing Information from display based only on objective criteria, including, but not limited to, factors such as geography, list price, type of property, cooperative compensation offered by listing Participant, and whether the listing Participant is a REALTOR®.

14.8.21 A Participant who intends to operate a VOW to display the MLS Compilation must notify the MLS in writing of its intention to establish a VOW and must make the VOW readily accessible to the MLS and to all Participants for purposes of verifying compliance with these Rules, the VOW policy, and any other applicable MLS rules or policies.

14.8.22 A Participant may operate more than one VOW either individually or through an AVP. A Participant who operates its VOW may contract with an AVP to have the AVP operate other VOWs on its behalf. However, any VOW operated on behalf of a Participant by an AVP is subject to the supervision and accountability of the Participant.

14.8.23 A Participant's VOW may not make available for search by or display to Registrants any of the following information:

- a) expired and Withdrawn MLS Listing Information;
- b) the compensation offered to other MLS participants;
- c) the type of Listing Agreement, i.e., Exclusive Right to Sell Listing or Exclusive Agency to Sell Listing;
- d) the seller's and occupant's name(s), phone number(s), or e-mail address(es);
- e) instructions or remarks intended for cooperating brokers only, such as those regarding showings or security of listed property.

14.8.24 A Participant shall not change the content of any MLS Listing Information that is displayed on a VOW from the content as it is provided in the MLS Compilation. The Participant

may, however, augment the MLS Compilation with additional information not otherwise prohibited by these Rules or by other applicable MLS rules or policies, as long as the source of such other information is clearly identified. This Rule does not restrict the format of display of MLS Listing Information on VOWs or the display on VOWs of fewer than all of the MLS Listing Information or fewer than all of the authorized information fields.

14.8.25 A Participant shall cause to be placed on his or her VOW a notice indicating that the MLS Listing Information displayed on the VOW is not guaranteed accurate by the MLS and shall include the following disclaimer and copyright notice:

“This information is not verified for authenticity or accuracy, is not guaranteed and may not reflect all real estate activity in the market. © 2018 [or current year] MLSOK, Inc. All rights reserved.”

A Participant’s VOW may include other appropriate disclaimers necessary to protect the Participant and/or the MLS from liability.

14.8.26 A Participant shall cause any MLS Listing Information that is displayed on his or her VOW to identify the name of the listing firm and the listing Participant or Subscriber in a readily visible color, in a reasonably prominent location, and in typeface not smaller than the median typeface used in the display of the MLS Compilation.

14.8.27 A Participant shall limit the number of listings that a Registrant may view, retrieve, or download to not more than two hundred fifty (250) current listings in response to any inquiry.

14.8.28 A Participant shall cause any listing displayed on its VOW obtained from other sources, including from another MLS or from a broker not participating in the MLS, to identify the source of the listing.

14.8.29 A Participant shall cause any listing displayed on its VOW obtained from other sources, including from another MLS or from a broker not participating in the MLS, to be searched separately from MLS Listing Information in the MLS.

14.8.30 Participants and the AVPs operating VOWs on their behalf must execute the license agreement required by the MLS.

14.8.31 Where a seller affirmatively directs its listing Participant to withhold either the seller’s MLS Listing Information or the address of the seller’s listing from display on the Internet, a copy of the seller’s affirmative direction shall be provided to the MLS within forty-eight (48) hours.

14.8.32 A Participant may display advertising and the identification of other entities (“co-branding”) on any VOW the Participant operates or that is operated on its behalf. However, a Participant may not display on any such VOW deceptive or misleading advertising or co-branding. For purposes of this Section, co-branding will be presumed not to be deceptive or misleading if the Participant’s logo and contact information (or that of at least one Participant) is displayed in immediate conjunction with that of every other party and the logo and contact

information of all Participants displayed on the VOW is as large as the logo of the AVP and larger than that of any third party.

SECTION 15: ARBITRATION OF DISPUTES

Any disputes that arise between Participants and/or Subscribers shall be referred to the primary Association of the Participant or Subscriber for appropriate action and/or arbitration in accordance with the professional standards procedures established in the Association's Bylaws.

SECTION 16: ORIENTATION

Any applicant for MLS participation and any Subscriber affiliated with a Participant who has access to and use of the MLS Compilation shall complete an orientation program of no more than eight (8) classroom hours devoted to the MLS Rules and computer training related to MLS information entry and retrieval and the operation of the MLS within thirty (30) days after access has been provided.

Participants and Subscribers may be required, at the discretion of the MLS, to complete additional training of not more than four (4) classroom hours in any twelve (12) month period when deemed necessary by the MLS to familiarize Participants and Subscribers with MLS System changes or enhancements and/or changes to the Rules or MLS policies. Participants and Subscribers shall have the opportunity to complete any mandated orientation and additional training remotely.

SECTION 17: PHOTOGRAPH OR IMAGES

17.1 Images of Listed Properties

The MLS does not make any warranty of any kind to MLS Participants, Subscribers or to the clients or customers of its Participants or Subscribers, concerning the accuracy or completeness of any particular image entered into the MLS Compilation, nor does the MLS assume the duty to verify the accuracy of the image associated with any particular MLS Listing Information.

17.2 Photographs or Images

Participants and its affiliated Subscribers may submit photographs or images to the MLS for dissemination with Participant's MLS Listing Information in the MLS Compilation. Photographs or images may be disseminated through the MLS Compilation only in relation to a listed property, and photographs or images disseminated through the MLS Compilation shall be limited solely to photographs or images of the listed property, the structure(s) located thereon, or amenities available only to owners of the property. Participants shall not submit any misleading photographs or images to the MLS. It shall constitute a violation of these Rules for a Participant to submit photographs, images, virtual tours, videos or other information to the MLS that includes identifying information about the Participant or Subscriber. A Participant who submits a photograph, image, virtual tour or other media to the MLS warrants that the Participant owns all copyright rights or other intellectual property rights in such photograph, image, virtual tour or other media, and by submitting the photograph, image, virtual tour, video or other media to the

MLS, conveys to the MLS a perpetual irrevocable non-exclusive license to use the photograph, image, virtual tours, video or other media for any, and all purposes deemed appropriate by the MLS in its sole discretion, including, but not limited to, publication and dissemination of the photograph, image, virtual tour or other media in the MLS Compilation, or to display it on any Internet web site to which the MLS provides data about real property. Participant and its affiliated Subscribers shall not Re-use any photographs, images, video, virtual tours, or other media content contained in the MLS Compilation. Participant shall protect the images from unauthorized copying, dissemination, or disclosure and from any other unauthorized use. Use of MLS Listing Information media (photographs, drawings, video recordings, etc.), including any copies obtained from previous MLS Listing Information are strictly prohibited absent written consent from the seller, listing Member, or the person or entity that owns the rights to the media content. Participant agrees to indemnify, defend, and hold the MLS harmless from any and all damages or losses, including attorney's fees and litigation costs or expenses arising from claims made against the MLS by a third party based upon the MLS's dissemination or display of the photograph or image submitted by the Participant.

SECTION 18: AMENDMENTS

Any NAR mandated rule or provision that requires a change to the Rules contained herein will be implemented immediately. MLS staff will notify the Board of Directors of the need and nature of the required change.

Amendments to these Rules shall be by consideration and approval of the Board of Directors, subject to final approval by the board of directors of the Oklahoma City Metropolitan Association of REALTORS®. Once approved, the President of the Board of Directors must sign an official copy before the amendments go into full force and effect.
